

Welcome To Fifth!

August 2018

Dear Fifth Graders,

Welcome to Fifth Grade! We hope that you had a great summer and that you are as eager as we are to begin the new school year. This year is going to be extra special because you are going to have two teachers, Mrs. Yablon and Ms. Bianculli (formerly Levine)...together we are The B-lons! We have been busy getting our classroom community ready and we can't wait to meet you!

This year will be your last year at Cantiague and it will be filled with lots of exciting and interesting activities and opportunities. We will be learning about each other and making new discoveries all year long. You will be immersed in writing, exploring new books and utilizing technology in fun and new ways. Together we will learn how to become problem solvers, creators, and unique thinkers.

We know your fifth grade experience will be filled with success. We can't wait to meet you on the first day to kick off your fifth grade experience! We can't wait to make many special memories together!

See you soon,

Ms. Bianculli and Mrs. Yablon
