

Dear Girls and Boys,

Hi! I am Mrs. Piergallini and I am going to be your teacher this year. First Grade is a lot of fun. We are going to have a great time together. We will do many new and exciting activities that will make learning fun and enjoyable!

Since the first day of school is a full day, please remember to bring a morning snack. We will have snack every day. Snack is collected in the morning so please ask your Mommy or Daddy to **clearly print your name on it** if it is not in a lunchbox.

On August 29th, I will meet you in our classroom (Room 2), so that we can start learning and having fun. I hope you had a wonderful summer. I am looking forward to hearing all about the exciting events and places you've been. It will be a great year working and learning together!

Love,
Mrs. Piergallini

PS - Please scroll down an additional supply.

Additional Supply
