

August 2017

Hi!

Welcome to second grade! I am Mrs. Korrow, your teacher, and I am so excited to start the new school year. I have been very busy getting everything ready for our classroom. I hope that you have enjoyed your summer vacation, and that you are ready for a great school year. I had a great summer with my family, and now I am ready for an exciting year filled with learning and laughing. I love to laugh!!

We will be learning so many interesting topics this year. Our first unit in social studies is called "All About Me." We will be learning all about each other, our families, friends, and what makes each one of us so special! To help begin our first unit, there are two items I need for you to bring into school on the first day. First, I would like you to bring in either a picture from camp, a souvenir from a trip, a favorite book you read, or anything else that reminds you of something exciting you did this summer. We will be sharing these artifacts at some point during the first two weeks of school, as well as writing about them. You will be able to take your artifact back home by the end of the month. I can't wait to hear about how special and memorable your summer was! Second, you will need to bring in a picture of you with your family. We will use these pictures to decorate a bulletin board in our classroom that reflects how special our families are.

Also, I would love for you to bring a book into school that you are excited about reading. We will be reading and sharing our stories every day in class😊.

We are going to have an amazing year together! I am looking forward to meeting you when you drop off your supplies to our classroom. I have supply boxes ready for you to put all of your supplies in, this way we can keep everything organized.

Since our first day of school is a full day, please remember to bring a snack and a lunch or lunch money.

I am really looking forward to seeing you on the first day of school. You and I will talk about all of the wonderful things we will be doing throughout the year. We are going to have a terrific year!! Enjoy the rest of your summer vacation.

Fondly,

Mrs. Korrow 😊
