

# Learning is an Adventure!

Dear Parents and Students of Room 13,

Hi and welcome to 2<sup>nd</sup> grade! I hope everyone had a fun summer and is getting ready for the new school year. This is going to be a great year of learning and working together. I look forward to enhancing the educational experience for all.

We will be learning so many interesting topics this year. Our first unit is called, "All About Me!" We will be learning all about each other, our families, friends, and what makes each of us so special. To help begin this unit, on the first day of school, please bring in a memorable item from the summer to share with the class. You can bring in a picture from camp, a souvenir from a trip, a favorite book you read, or something else that reminds you of something fun you did this summer. Everyone will get an opportunity to share and write about this special item at some point within the first two weeks of school. Your special item will be back home by the end of September. It will be fun hearing and reading all about the exciting events and places you've been this summer.

On August 28th, you will have a chance to come to school, see your new classroom (upstairs), label your supplies, and say hello to me! I am asking for all supplies to be labeled with your child's name in Sharpie marker and all pencils sharpened. Some supplies can be brought home to be labeled and sharpened, then brought back to school on the first day.

Since the first day of school is a full day, please remember to send your child with a snack. If you didn't pre-pay for lunches/snacks, please also send a lunch or lunch money. Lunch money and/or snack money for snacks to purchase during lunchtime should be sent in separate envelopes/baggies, labeled "lunch," "snack" and include your child's name on each envelope/baggie.

On August 29th, I will meet each student in our classroom, so that we can start our 2<sup>nd</sup> grade adventure of learning and having fun together! See you soon!

Love,  
Mrs. Martin
