Dear Boys and Girls,

Hello, and welcome to third grade! My name is Mrs. Moses and as you know I'm going to be your teacher this year. I hope you've had a relaxing, enjoyable summer and are ready to begin an exciting new school year together. I've been very busy planning for our year, and getting room 15 ready for us.

I'm sure most of you have checked out the third grade supply list already. Some of you may have your supplies labeled and ready to go. Please try to have as many of the supplies as possible for the first day of school. It's helpful if you put your name on your belongings. We will spend some time organizing our materials on the first day.

In addition to what is on the list, I'd like you to bring expo dry-erase markers and an eraser (a sock works well). I have whiteboards for you. It is okay if you don't have these supplies on the first day.

Finally, I'd like you to bring TWO good books with you to class on the first day. The first book should be a new one that you can't wait to begin reading! The second book should be one that you have already read, LOVED, and want to recommend to someone else. This is your very first home "fun" assignment of the year. It's an easy one, so please come prepared!

Have a wonderful last few days of summer vacation. I hope you can go to the beach, the park or ride your bike in the beautiful sunshine. I look forward to meeting you!

Fondly,
Mrs. Moses
