

August 2017

Dear Families,

We want to take this opportunity to introduce ourselves and express our excitement about working with your children this year. We are Mrs. Aloe and Mrs. White who have come together to form the *Alites*. We will both be your child's fourth grade teachers. As collaborative teachers, we will be partners in your child's education.

We look forward to meeting you all when you drop off your school supplies. We will have the opportunity to tell you more about the collaborative program during *Meet the Teacher*.

In addition, if you need to contact us via email please address all correspondence to the following address **White-Aloe@jerichoschools.org** to ensure both of us receives the message.

When your child arrives on the first day he/she should bring a favorite book to share with the class. We will also be spending a part of our first morning together labeling school supplies in class.

We are thrilled to be working with your children and can't wait to begin the school year.

Sincerely,

-Alites
