

Now Showing... Mrs. Kupferman's Fourth Graders!

August 2017

Dear Fourth Graders,

Welcome to Fourth Grade and to Room 16! I hope that you had a great summer and that you are as eager as I am to begin the new school year. I have been busy getting our classroom ready and I can't wait to meet you!

The year ahead will be filled with lots of exciting and interesting activities. We will be learning about one another and the world around us. You will be immersed in writing and discovering new books. Together we will learn to imagine, create, become problem solvers, and of course bucket fillers! In room 16, "It's cool to be kind!"

When you come into school on the first day, you will be meeting new friends, seeing familiar faces, and of course meeting me!

I know your fourth grade experience will be filled with success, and I can't wait to meet you on August 28th !

Love and learn,
Mrs. Kupferman

Mrs. Kupferman's Fourth Graders!

August 2017

Dear Parents,

Welcome to an exciting new school year! My name is Mrs. Kupferman and I will be your child's fourth grade teacher. In order for our class to come together as a caring, learning community, it is important for me to get to know your child. In order to do this, I am asking for your help.

I hope you will take a few minutes to write me a letter about your child. The more I know, the better I can help meet his/her particular needs. For example, describe your child's strengths, weaknesses, interests and hobbies, food/other allergies, any personal or physical problems I should be aware of, feelings about school, and in what area you would like to see your child grow the most this year. Also, if your child prefers a nickname, please let me know!

You can give the letter to your child in a sealed envelope on the first day of school, or drop it off in the main office. I can't wait to hear from you!

This year is going to be a valuable and rewarding experience for your child, for you, and for me. I look forward to a productive, happy, and an involved year! I look forward to meeting you personally at Back-to-School Night.

Respectfully,
Mrs. Kupferman
