August 2017

Dear #Fifth Graders,

Welcome to #Fifth Grade! I hope that you had a great summer and that you are as eager as I am to begin the new school year. I have been busy getting our classroom community ready and I can't wait to meet you!

This year will be your last year at #Cantiague and it will be filled with lots of exciting and interesting activities and opportunities. You will be learning about each other and making new discoveries all year long. You will be immersed in writing, exploring new books and utilizing technology in fun and new ways. You will learn how to become problem solvers, creators, and unique thinkers. I know your fifth grade experience will be filled with success.

The first few weeks of school we will be learning all about each other, our families, friends, and what makes us special! In order to help me, on the first day of school, please bring in a 4x6 photograph of your entire family. I can't wait to meet you and hear about your summer vacation! This is your very first homework assignment of the year and it's an easy one!

I can't wait to meet you and hear about your summer vacation, and to kick off your #fifth grade experience! I can't wait to make many special memories together!

#SeeYouSoon,  
Mrs. Siper

Dear Parents,

Welcome back! I am Mrs. Siper and I will be your child's fifth grade teacher this year. I am looking forward to meeting you and your child. Before I do, I would like to learn about your child through your eyes. The more I know, the more I can tailor an educational and motivational program to fit his or her needs.

Please read through the questions on the following pages and do your best to respond to as many as you can. Remember, this is from your point of view.

You can either mail the questionnaire back to me at school or send it in a sealed envelope with your child on the first day. I hope to hear from you soon.

Thank you very much for your help. I look forward to establishing an educational partnership between home and school so that together we can ensure a successful learning experience for your child.

Respectfully,

Mrs. Siper
