

August 2017

Dear Kindergarten Families,

Welcome to Kindergarten! We are so excited to meet you and share this incredible experience together. Our Kindergarten year will be filled with new friendships, many milestones, and lots of learning along the way. We are ready to begin this special journey with you!  
😊

On **August 28th** from 1:30 – 2:15 we will be waiting for you on the Kindergarten playground for our annual Kindergarten Playdate. We can't wait to meet you and have some fun together. Remember to bring your school supplies with you that day if you did not pre-order them! Please label the outside of your bag. You don't need to label every individual item. Please bring a change of clothes in a labeled Ziploc for your child to keep at school.

On the first day of school please remember to send in a "healthy" snack / drink, and a bag lunch. Please pack them separately and label each with your child's name, with an "S" for snack and an "L" for lunch. Also, please send your child with a backpack for his or her belongings.

We hope you had a super summer! We are excited to meet all of our new friends. We look forward to a great year working and learning together...

Love,

Mrs. Brotman, Mrs. Thomas , Miss Grossman and Mrs. Rosen

August 2017

Dear Parents,

We'd like to welcome you to the start of an exciting new year! This year your child will have two teachers, **Miss Grossman and Mrs. Rosen.** As a team of co-teachers we will be working together to make this the best year for every child in the class! We are looking forward to working with your child this year and becoming partners with you in your child's education.

In order to make this year a productive and memorable one, we know my teaching must begin by making your child feel comfortable in my classroom. We want to help all the children come together in a caring, learning environment. For this reason, it would be helpful for us if you would take a moment and write to us about your child:

What is your child like?

What are the things you, as a parent, know that would be important for me to know?

What are your child's interests?

How do you see your child as a learner?

We look forward to a productive, happy and involved year!

The Kindergarten Team ☺
