

August 2021

Dear Parents,

Welcome to a new school year! Thank you for entrusting me with the awesome privilege of being your child's fourth grade teacher. My name is Mrs. Kupferman and I can't wait to meet you and your child! In order for our class to come together as a caring, learning community, it is important for me to get to know your child. Please take a few minutes to write to me about his/her strengths, weaknesses, interests and hobbies. I would also like to know about food/other allergies, any personal or physical problems I should be aware of, feelings about school, and in what area you would like to see your child grow the most this year. If your child prefers a nickname, please add that as well! The more I know, the better I can help meet his/her particular needs. You can email the letter to me at tkupferman@jerichoschools.org. I can't wait to hear from you!

I look forward to collaborating with you as we pave the way to a great school year! Please don't hesitate to reach out to me with any questions or concerns you may have.

With gratitude, Mrs. Kupferman

August 2021

Dear Fourth Grader,

Welcome to Fourth Grade and to Room 28! I hope that you had a great summer and that you're as eager as I am to begin the new school year. I have been busy getting our classroom ready and I can't wait to meet you!

The year ahead will be filled with lots of exciting and interesting activities. We will be learning about one another and the world around us. You will be immersed in writing and discovering new books. Together we will learn to imagine, create, become problem solvers, and of course bucket fillers! I will help you reach for your dreams, encourage you to achieve more than you ever thought you could, and inspire you to be the best possible version of yourself.

When you come to school on the first day, you will be meeting new friends, seeing familiar faces, and of course meeting me! I know your fourth grade experience will be filled with success, and I can't wait to meet you!

Love and Learn, Mrs. Kupferman
