

August 2022

Dear 4th Graders and Families,

Welcome to fourth grade! I hope that you had a great summer and that you are as eager as I am to begin the new school year. I am so excited to be your 4th grade teacher and I have been busy getting our classroom community ready. This year will surely be amazing! Together we will become a community of learners and explorers and most importantly a classroom family.

In fourth grade we will learn about each other and make new discoveries all year long. You will be immersed in writing, exploring new books and utilizing technology in fun and new ways. Together we will learn how to become problem solvers, creators and unique thinkers.

I know your fourth grade experience will be an adventure filled with success and I am looking forward to exploring, learning and growing with you. I can't wait to meet you on the first day to kick off your fourth grade experience. Enjoy the rest of your summer and get ready to make many special memories with your fourth grade family!

See you soon,  
Mrs. Bianculli
