

August 2021

Dear Kindergarten Families,

Welcome to Kindergarten! I am so excited to meet you and share this incredible experience together. Our Kindergarten year will be filled with new friendships, many milestones, and lots of learning along the way. I am ready to begin this special journey with you. I can't wait to meet you and have some fun together. Remember to bring your school supplies with you if you did not pre-order them! Please label the outside of your bag. You don't need to label every individual item. Please bring a change of clothes in a labeled Ziploc bag for your child to keep at school.

Each day we will have two short snack times. A "light bite" in the morning and a "quick snack" in the afternoon. On the first day of school please send in **two small** healthy nut-free snacks, a water bottle, and a bagged lunch. Please pack them separately and label each with your child's name, with an "S" for snacks and an "L" for lunch. Also, please send your child with a backpack large enough for his or her belongings.

We know that the adjustment to Kindergarten is a big one for all! We are welcoming you to bring something small to hug. This can be any ONE thing that will be kept close to you help give you the warm and fuzzy feeling of a hug should you need it.

I hope you had a super summer! I am excited to meet all of our new friends. I look forward to a great year working and learning together…

Love,

Miss Grossman

Dear Parents,

I'd like to welcome you to the start of an exciting new year! I am looking forward to working with your child this year and becoming a partner with you in your child's education. In order to make this year a productive and memorable one, I know my teaching must begin by making your child feel comfortable in my classroom. I want to help all the children come together in a caring, learning environment.

For this reason, it would be helpful for me if you would take a moment and write to me about your child:

What is your child like?

What are the things you, as a parent, know that would be important for me to know?

What are your child's interests?

How do you see your child as a learner?

Has your child had any prior school experience? Please tell me about it!

I look forward to a productive, happy and involved year!

XOXO,

Miss Grossman

Additional Supplies

In order to keep our classroom productive, clean and germ-free we are asking for the following supplies in addition to the online supply list.

Please send in:

2 containers of anti-bacterial hand wipes

1 roll of paper towels

1 set of Classic Colored Crayola Twistable Crayons

Thank you for your support!
The Kindergarten Teachers
